

Logical-Mathematical Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Abstract pattern recognition-Inductive/deductive reasoning-Discerning relationships & connections-Performing complex calculations-Scientific thinking/investigation	<ul style="list-style-type: none">-Elements involve proportion/scale-Patterns use math. concepts-Creation of geometric forms-Logical sequences-Elements convey/compare distances

Musical-Rhythmic Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Appreciates structure/rhythm-Schemas/frames for hearing music-Sensitive to sounds/vibrations-Appreciates sound quality-Sound, rhythm, tone, etc...	<ul style="list-style-type: none">-Music, sound, vibration, tone-Creation-Mimicry/Reproduction-Sounds of nature or human emphasized.

Bodily-Kinesthetic Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Preprogrammed body movements-Awareness through body-Mind-Body connection-Mimetic abilities-Improve body functions	<ul style="list-style-type: none">-Challenge physical abilities-Understand personal limits-Fine/Gross motor skill challenges-Movement, balance, stillness, agility-Movement effects other elements

Verbal-Linguistic Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Facility with words-Explaining, teaching, learning abilities-Convincing others-Linguistically-based humor-Verbal memory/recall	<ul style="list-style-type: none">-Literary references-Riddles, rhymes, puns-Areas for communication-Narrative

Visual-Spatial Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Active imagination-Finding your way in space-Forming mental images-Mental manipulations of objects-Visual memory	<ul style="list-style-type: none">-Patterned/Geometric division-Visual stories-Distortion of space, size, shapes, colors-Mental manipulation challenges-Creation/Manipulation of space

Naturalistic Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Communion with nature-Sensitivity to nature floras-Growing things-Recognizing/Classifying species-Caring for, taming, interacting with living creatures	<ul style="list-style-type: none">-Revelation of natural processes-Planting areas for creation/reproduction-Varying plant choices/uses-Interact with surroundings-Plant relations

Intrapersonal Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Effective verbal/non-verbal communication-Sensitivity to others-Empathy-Working cooperatively in a group-Creating/Maintaining synergy with others-Deep listening/understanding of another	<ul style="list-style-type: none">-Sport areas-Group interactive elements/areas-Outdoor classroom

Interpersonal Intelligence

Traits:	Related Characteristics:
<ul style="list-style-type: none">-Concentration of the mind-Mindfulness-Meta-cognition-Transpersonal sense of self-Awareness of personal goals and motivations-Awareness/Discrimination of one's emotional range	<ul style="list-style-type: none">-Quiet areas-Memorial areas-Areas with large expansive views-Labyrinths-Areas for individual creation/manipulation of space
